OPENING DEBATE BETWEEN
Shalini Randeria & Zsuzsa Gille

moderated by Ayse Caglar

Why should social science study policy? What can an anthropology of policy contribute to our discipline, both theoretically and methodologically? These and other questions will be addressed in the Opening Debate of the IKSA Graduate Forum, organised by a group of pre-docs at the Department of Social and Cultural Anthropology.

The event continues for those interested on the 28th- 29th April with four panels.
