# Indonesian Movie Night

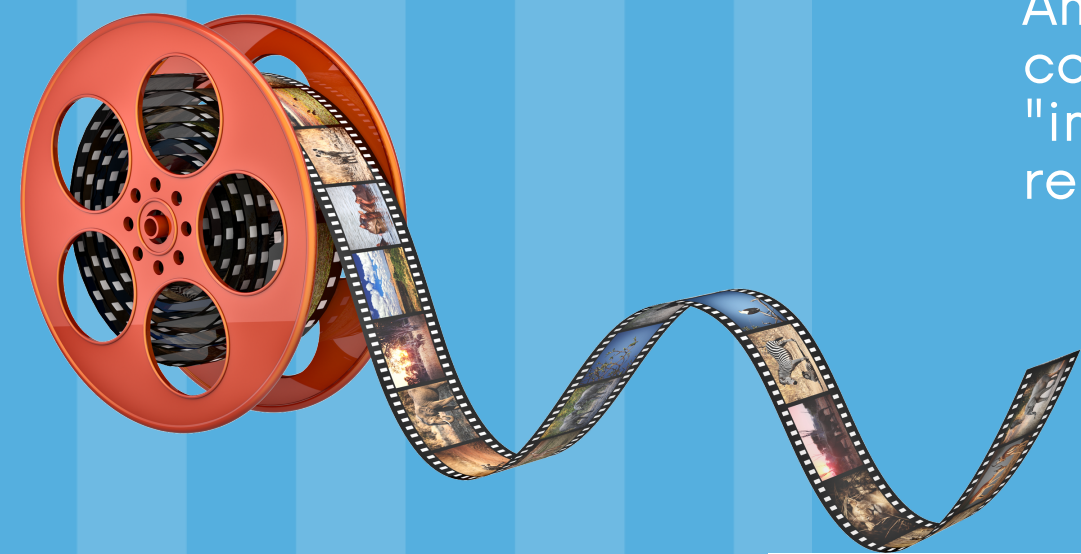

Tuesday  
21 March  
2023

NIG 4th Floor, HS-A  
Universitätsstraße 7  
Vienna

17.00 - 20.00

**Bumi Manusia**  
(This Earth of Mankind)  
By Hanung Bramantyo

Bumi Manusia is an adaptation of the critically acclaimed historical novel of the same title by author Pramoedya Ananta Toer. The narrative is rooted in the history of colonialism from Indonesia. And the love story dwells on the concepts of being an "outsider" or "insider" - based on the historical record of Dutch rule in their country.
