

Practices of Care.

Inequalities, Empowerment, Contradictions

2nd Vienna Ethnography Lab, 25-27 September 2015

General Proceedings:

Each day starts with an input paper by one of our senior scholars (approximately 20-30 min, referring to the workshop topic), followed by a discussion.

All other sessions will be based on the pre-distributed papers by our young scholars. Actual presentations at the workshop will be short (5-10 min) and rather a reminder of the main points. This short introduction will be followed by three equally short comments (each again 5-10 min), the first by two of the participants and the second one by one of our senior scholars. This will leave enough room for a (hopefully lively) discussion by all.

Place: Seminar Room (HS 10) of the Department of Methods in the Social Sciences, Rathausstrasse 19/9, A-1010 Vienna (lunch breaks will be at 1st floor in the entrance hall and meeting room)
